# Coventry Swimming Club

Did you know Coventry Swim School is proudly affiliated with Coventry Swimming Club? The club is where many of our swimmers take their next step — competing at a higher level and aiming for amazing opportunities, including representing Great Britain one day!

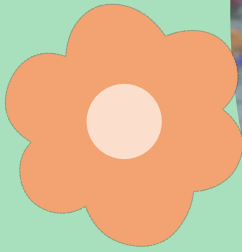

This month, we're thrilled to

announce that five of our swimmers have made the exciting leap from our swim school into the club pathway to begin their competitive journey. We're incredibly proud of their hard work and dedication and wish them all the best in this next chapter!

If you're thinking about your child's future in swimming, remember: Coventry Swim School offers the very best route into competitive swimming. Stick with us, and let's see how far your swimmer can go!

**Thank you again  
for all your  
support**

**Fun Fact of the Month:**

Did you know swimming can improve your brain power? Studies show that regular swimming boosts memory, mood, and focus — it's not just great for the body, but for the mind too!

**Joke of the Month:** Why did the swimmer bring a bottle of ketchup to the pool? Because they wanted to catch up with their laps!

**Highlight of the Month:** WE have had 5 swimmers go into the swimming club this month which is amazing so massive well done to those who have and to their teachers!

We'd love to hear your thoughts! Click the link below to share your feedback:
