

COVENTRY SWIM SCHOOL NEWSLETTER

Back to School

We hope you and your children have enjoyed the summer and that the return to school goes well. This time of year can be a big adjustment, but it's always exciting to see our swimmers settling back into their routines both in the classroom and in the pool.

Distance week

During the week of 13th October we'll be running our next Distance Week. This gives swimmers the chance to see how far they can swim and work towards their next distance award. Certificates will be able to order [here](#)

October Crash course - TBC

We are planning to run an October Half-Term Crash Course, with final details to be confirmed soon. These courses are a great way for swimmers to boost their progress with extra lessons during the holiday. We'll share more information as soon as it's confirmed.

Upcoming events

Sprint night for stage 6+:
TBC

Distance Week 13th October

October half term Crash Course:
TBC

Star Swimmer of the Month

A huge congratulations to Rosa's Star Swimmer this month!

She overcame her fears in her very first lesson and finished with a big smile. Since then, she's continued to work hard and always arrives ready to swim with a positive attitude.

Well done – we're so proud of your progress!

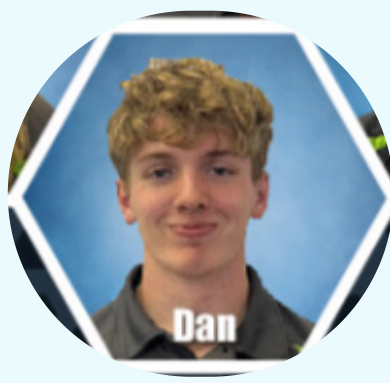

Coventry Swimming Club

Coventry Swim School is proud to be affiliated with City of Coventry Swimming Club, giving our swimmers a clear pathway from lessons into competitive swimming if they wish to take the next step.

I'd also like to say a huge thank you to the three teachers below for everything they've contributed to Coventry Swim School. They are now moving on to university or full-time work, and we wish them all the very best in their next chapter.

This isn't goodbye forever though – you may still see them around during the holidays, as I'm sure they'll be keen to help out with cover whenever they can.

What else do we offer?

Alongside our regular lessons, we also run:

**Starts & Turns
sessions**

Adult lessons

**One-to-one lessons -
Sundays at 11:40am**

If you're interested in
any of these, please
